Power Management System Enhancement: This upgrade further expands your generator's range and performance by automatically prioritizing and managing 4 additional high-demand 240V appliances.

Note: Installations must strictly comply with all applicable codes, industry standards, laws and regulations. Running engines give off carbon monoxide, an odorless, colorless, poison gas so it is important to keep exhaust gas away from any windows, doors, ventilation intakes or crawl spaces. Carbon monoxide detectors must be installed and maintained in your home. **Note:** Milbank reserves the right to make changes in specifications and features shown without notice or discontinue the product described at any time without notice or obligation.

12KW STANDBY GENERATOR

PERMANENT PROTECTION FROM A PROVEN PERFORMER

Flexible Placement – Tested against tough National Fire Protection Agency standards, Milbank 12kW' standby generators can be placed as close as 18" from the home providing more placement options in your yard - perfect for tight lot lines.

Briggs & Stratton® Engine – Application engineered to stringent home generator specifications, these premium engines will provide years of long-lasting, reliable standby power.

Streamlined, Space-Saving Design – Its sleek, compact profile blends in beautifully with your home's exterior and landscaping, much like your central air conditioner.

Power Management Technology – Partner with an automatic transfer switch to manage up to two load-dependent air conditioner units: 3-ton air conditioners for 10kW and 4-ton air conditioners for 12kW.

Durable Enclosure – Rust-resistant, Galvanneal steel enclosures are made from the same materials and paint process used in the automotive industry, resulting in years of protection against chips and abrasions.

Quick Response – Automatically powers your home in seconds after sensing a power outage.

4-Year Limited Parts and Labor Warranty – At Milbank, we stand behind our warranty and make it easy for our customers to work with us.

4 YEAR WARRANTY
