

# 25kW<sup>†</sup> STANDBY GENERATOR

## POWER YOU CAN DEPEND ON

Help your customers protect their homes and families from power outages with Milbank's new liquid-cooled 25kW<sup>†</sup> home generator system. Perfect for medium-to-large homes, we provide you with reliable power and flexible options to meet your customers' power needs.

### AVAILABLE ACCESSORIES

MODEL NUMBER	ITEM
MG626801	Maintenance Kit
MG627001	Cold Weather Kit (Engine Block Heater + Battery Warmer)
MG626401	Basic Wireless Monitor
MG6260IH1	Infohub™ Wireless Monitor

<sup>†</sup>These generators are rated in accordance with UL 2200 and CSA Standard C22.2 No. 100-04  
**Note:** Installations must strictly comply with all applicable codes, industry standards, laws and regulations. Running engines give off carbon monoxide, an odorless, colorless, poison gas so it is important to keep exhaust gas away from any windows, doors, ventilation intakes or crawl spaces. Carbon monoxide detectors must be installed and maintained in your home.  
**Note:** Milbank reserves the right to make changes in specifications and features shown without notice or discontinue the product described at any time without notice or obligation. Warranty details available at milbankworks.com.

# 25KW<sup>†</sup> STANDBY GENERATOR

## FEATURES

**Quality Power** – Constant, reliable power is delivered to sensitive appliances and electronics.

**Powerful and Reliable Engine** – The robust automotive style engine, built and tested to Briggs & Stratton quality and durability standards, delivers consistent performance resulting in the dependability you expect from a backup generator.

**User-friendly Controller** – Conveniently monitors diagnostic conditions, displays system service codes and sets weekly exercise cycle - all from an easy-to-read scrolling LED display.

**Easy to Service** – Convenient access to disassembly points for quicker trouble-free servicing. The hinged roof with gas shocks keep the roof open allowing for top down access to the engine. While the easy to remove side panels allow easy service access from the front and back.

**Durable Enclosure** – Rust-resistant, Galvanneal steel enclosures are made from the same materials and paint process used in the automotive industry, resulting in years of protection against chips and abrasions.

**Quick Response** – Automatically powers your home in seconds after sensing a power outage.

**4-Year Limited Parts and Labor Warranty** – At Milbank, we stand behind our warranty and make it easy for our customers to work with us.

SPECIFICATIONS	
Model Number	MG2524011BS
Watts (LP)	25,000
Watts (NG)	25,000
Frequency	60 Hz
Fuel Type	Propane (LP Vapor), Natural Gas (NG)
Operation	Fully Automatic
Voltage	120/240V AC, Single Phase, 1.0 pf
Amps LP/NG	104.2/104.2
Alternator	Brushed
Voltage Regulation	Automatic
Engine	Briggs & Stratton 1.6L
Full Pressure Lubrication	Yes
Overcrank Protection	Yes
Dimensions (L x W x H)	70" x 32" x 37"
Weight (generator only)	1,056 lbs.
Limited Warranty*	4 Year Parts and Labor
Turn-Key Extras Included	Hour Meter, Battery Charger, Steel Base, External Automatic Shut-off Valve, Low Pressure Regulator, Thermally Protected Fuel System, Radiator Fluid, Synthetic Oil

<sup>†</sup> These generators are rated in accordance with UL 2200 and CSA Standard C22.2 No. 100-04

**4 YEAR WARRANTY**
